

D#-Major Scale Positions Piano Tutorials

Description

Notes: D#-1, F-2, G-3, G#-4, A#-5, C-6, D-7, D#-8

Since it is a D#-major scale obviously D# will be first note, how to find the remaining notes ?

The simple formula which is used for any major scale:

One- One- Zero- One-One- One-Zero (1-1-0-1-1-1-0)

What do you mean by Ones and Zeros ?

One's (whole step) If there is a one key between two notes, then the interval of those two notes is One.

Eg: from D# to F the interval is one key.

Zero's (half step) If there are no keys or zero keys between two notes, then the interval of those two notes is Zero

Eg: from G to G# the interval is zero (Immediate keys)
