

## F# / Gb • Major Scale Positions Piano Tutorials

### Description

Notes: F#-1, G#-2, A#-3, B-4, C#-5, D#-6, F-7, F#-8

Since it is a F# major scale obviously F# will be first note, how to find the remaining notes ?

The simple formula which is used for any major scale:

One- One- Zero- One-One- One-Zero (1-1-0-1-1-1-0)

### What do you mean by Ones and Zeros ?

**One's (whole step)** If there is a one key between two notes, then the interval of those two notes is One.

Eg: from F# to G# the interval is one key •

**Zero's (half step)** If there are no keys or zero keys between two notes, then the interval of those two notes is Zero

Eg: from A# to B the interval is zero • (Immediate keys)
