

# 'G' Major Scale Positions - Piano Tutorials

Notes: G-1, A-2, B-3, C-4, D-5, E-6, F#-7, G-8

Since it is a 'G' major scale obviously 'G' will be first note, how to find the remaining notes ?

The simple formula which is used for any major scale:

One- One- Zero- One-One- One-Zero (1-1-0-1-1-1-0)

## What do you mean by Ones and Zeros ?

**One's (whole step)** – If there is a one key between two notes, then the interval of those two notes is One.

Eg: from G to A the interval is “one key”

**Zero's (half step)** – If there are no keys or zero keys between two notes, then the interval of those two notes is Zero

Eg: from B to C the interval is “zero” (Immediate keys)
